LETTER OF TRANSMITTAL

JOINT COMMITTEE ON INTERNAL REVENUE TAXATION,
Washington, D.C., June 20, 1963.

THE SPEAKER OF THE HOUSE OF REPRESENTATIVES.

SIR: Pursuant to section 6405 of the Internal Revenue Code of 1954 I have the honor to submit a report by the Joint Committee on Internal Revenue Taxation, dated June 20, 1963, covering refunds and credits of internal revenue taxes for the fiscal year ended June 30, 1961.

Very respectfully,

W. D. MILLS, *Chairman.*

REPORT OF THE JOINT COMMITTEE ON INTERNAL REVENUE TAXATION

(Pursuant to the Internal Revenue Code)

WASHINGTON, D.C., *June 20, 1963.*

Section 6405 of the Internal Revenue Code of 1954 provides as follows in connection with refunds and credits in excess of \$100,000.

SEC. 6405. REPORTS OF REFUNDS AND CREDITS

(a) BY TREASURY TO JOINT COMMITTEE.—No refund or credit of any income, war profits, excess profits, estate, or gift tax in excess of \$100,000 shall be made until after the expiration of 30 days from the date upon which a report giving the name of the person to whom the refund or credit is to be made, the amount of such refund or credit, and a summary of the facts and the decision of the Secretary or his delegate, is submitted to the Joint Committee on Internal Revenue Taxation.

(b) BY JOINT COMMITTEE TO CONGRESS.—A report to Congress shall be made annually by such committee of such refunds and credits, including the names of all persons and corporations to whom amounts are credited or payments are made, together with the amounts credited or paid to each.

(c) TENTATIVE ADJUSTMENTS.—Any credit or refund allowed or made under section 6411 shall be made without regard to the provisions of subsection (a) of this section. In any such case, if the credit or refund, reduced by any deficiency in such tax thereafter assessed and by deficiencies in any other tax resulting from adjustments reflected in the determination of the credit or refund, is in excess of \$100,000, there shall be submitted to such committee a report containing the matter specified in subsection (a) at such time after the making of the credit or refund as the Secretary or his delegate shall determine the correct amount of the tax.

The joint committee has caused its staff to examine all refunds and credits reported by the Secretary or his delegate pursuant to section 6405, and to prepare a report thereon for the fiscal year ended June 30, 1961. In reviewing these cases the staff, by appropriate memorandum, requests the General Counsel of the Treasury to reconsider any such refunds or credits which, in the opinion of the staff, are erroneous or doubtful or inadequately substantiated. Such cases are generally resolved by conferences between the staff and Treasury officials. However, in those instances in which the questions raised are deemed to be of sufficient importance from the standpoint of the interpretation or administration of the revenue laws, the case is heard by the joint committee in executive session. None of the cases reported herein was heard by the committee.

The report of the staff is attached hereto. Section I of the report lists the names of all persons (individual and legal) to whom refunds or credits in excess of \$100,000 were made, and shows the amounts refunded or credited to each. The committee submits this staff report in compliance with subsection (b) of section 6405 of the Internal Revenue Code of 1954. Section II of the report contains a general survey of such refunds and credits, and the amounts allowed since the first report was issued in 1928.

Respectfully,

W. D. MILLS, *Chairman.*

A REPORT ON REFUNDS AND CREDITS OF INTERNAL REVENUE TAXES FOR THE FISCAL YEAR ENDED JUNE 30, 1961

FOREWORD

The annual report on refunds and credits of internal revenue taxes of the Joint Committee on Internal Revenue Taxation required by section 6405(b) of the Internal Revenue Code of 1954 is made on a fiscal year basis.

This report covers refunds and credits of internal revenue taxes for the fiscal year ended June 30, 1961. It is divided into two sections, as follows:

Section I: Contains a list of the persons to whom refunds and credits in excess of \$100,000 were reported to the committee during the period and the amounts allowed to each.

Section II: Contains a general survey of the refunds and credits.

The procedure followed in connection with refunds and credits reported to the Joint Committee was analyzed in the first report submitted to the Congress by the committee ("Refunds and Credits of Internal Revenue Taxes," H. Doc. 43, 71st Cong., 1st sess., June 19, 1929). There has been no change in the policy of the committee since the publication of the first report. However, during the year 1940 it was necessary to clarify certain jurisdictional questions with respect to cases over which the Internal Revenue Service and the Department of Justice have jurisdiction. It was agreed between these departments and the Joint Committee on Internal Revenue Taxation, effective as of December 1, 1940, that the following classes of cases should be considered as coming within the purview of what is now section 6405 of the Internal Revenue Code of 1954.

INTERNAL REVENUE SERVICE CASES

(1) A refund or credit of over \$100,000 proposed in a case prior to the filing of a petition for review with the Tax Court of the filing of a suit in any court.

(2) A refund or credit of over \$100,000 provided for in a settlement entered into after the filing of a petition for review with the Tax Court but prior to a decision by the court.

(3) A refund or credit provided for in a settlement entered into after a decision on the merits has been rendered by the Tax Court if such refund or credit exceeds the amount which the court may have determined to have been overpaid. In no case will such refund or credit be referred to the committee unless the amount of the refund or credit determined by the court, plus the amount determined in any subsequent settlement, exceeds \$100,000.

As far as practicable, every effort should be made to combine all credits or refunds which have been proposed for the same taxpayer, so that the aggregate of such refunds or credits will determine the jurisdictional amount.

In the case of a settlement providing for refunds or credits in favor of more than one taxpayer, only such refunds or credits as exceed \$100,000 to a single taxpayer will be considered as subject to the jurisdictional requirement.

Social security and unjust enrichment taxes will be considered not within the intendment of section 6405 of the Internal Revenue Code.

Any cases not covered by this agreement may be referred to the committee by mutual consent between the Internal Revenue Service and the staff.

DEPARTMENT OF JUSTICE CASES

(1) A refund or credit of over \$100,000 provided for in a settlement entered into prior to a decision by the court or the Tax Court.

(2) A refund or credit provided for in a settlement entered into after a decision on the merits has been rendered by a court or the Tax Court, if such refund or credit exceeds the amount which the court may have determined to have been overpaid. In no case will such refund or credit be referred to the committee unless the amount of the refund or credit determined by the court, plus the amount determined in any subsequent settlement, exceeds \$100,000.

(3) Where it appears that the court, in approving the settlement involving a refund or credit exceeding \$100,000 in the following classes of cases, has not passed upon the merits:

(a) Compromise cases where the taxpayers, for reasons other than the mere termination of the controversies with the Government, insist that the agreement take the form of stipulated judgments.

(b) Stipulated judgments entered into as the result of the pretrial procedure in effect in the Federal courts.

(c) Compromise agreements or settlements entered into in bankruptcy and receivership proceedings subject to the approval of the court.

In the case of a single settlement involving one or more suits by the same taxpayer for one or more taxable periods, the aggregate of such refunds or credits will determine the jurisdictional amount.

In the case of a single settlement providing for refunds or credits in favor of more than one taxpayer, only such refunds or credits as exceed \$100,000 to a single taxpayer will be considered as subject to the jurisdictional requirement.

In the case of a single settlement resulting in a refund or credit to, one taxpayer and a concomitant additional tax to a related taxpayer, as defined in section 1313(c) of the Internal Revenue Code of 1954, the settlement will be construed as involving a single taxpayer for the purpose of determining the jurisdictional amount.

Social security and unjust enrichment taxes will be considered not within the intendment of section 6405 of the Internal Revenue Code.
